LUXURY 1 bedroom apartment located inside the prestigious Hotel Puente Romano. Featuring high quality furnishings and fittings, this stunning property offers a bedroom, ensuite bathroom, kitchenette, living room, and large terrace. Located in the heart of the hotel's grounds, the apartment is the perfect accommodation for holiday makers looking to enjoy the fantastic restaurants, nightlife, glamour and sophistication that is associated with Puente Romano.

The property is located just 150 metres from the plaza of Puente Romano, where guests can find some of the coast's best dining and evening entertainment. With restaurants like Nobu and Dani Garcia for guests to choose from, the area is always buzzing with activity. Especially during the summer months, we recommend booking these venues in advance to avoid disappointment!

The apartment is elegant and comfortable, providing guests with the perfect space from which to enjoy themselves. The bedroom features a king size bed facing a smart TV, and the attached bathroom offers a walk-in rainfall shower. The kitchenette has a microwave, fridge, coffee machine, toaster, kettle, and cutlery and glasses. A dining area with 2 seats is also provided. (An account with the hotel can be opened that allows guests to order room service to the apartment).

The living room is well furnished with an exceptionally comfortable L-shaped sofa and armchair, facing a large smart TV embedded on the wall. An electric fireplace sits beneath the TV. The room is bathed in natural light through the wall length windows that give access out onto the terrace. The spacious terrace provides a chillout area as well as an alfresco dining area. The south facing terrace looks out towards the gardens and swimming pool of the hotel.

The apartment is just a few minutes walk from the beach, where guests will find golden sands, the blue Mediterranean, and the Paseo Marítimo that links Puerto Banús with Marbella and is lined with beautiful beachside restaurants and bars.

The property has centralised air conditioning (hot and cold) in all rooms, and complimentary and unlimited WIFI is provided.

\*Please note that this apartment is a privately owned property inside the hotel, but is not part of the hotel itself (meaning hotel guests may have priority for certain areas of the hotel). Guests will be able to use the hotel's swimming pool located in front of the apartment, open an account with the hotel to order room service (pay per meal), and can use the hotel's spa and tennis club on a pay per visit basis.
