Villa is a villa for rent in Marbella's Golden Mile Beach. Holiday vacation spot for those ones who prefer intimacy, comfort in a unique location. Is the result of an inspiring journey through the tropical corners of the world, learning architecture and design solutions that create those beautiful places and bringing them to Marbella in the shape of a high-end estate.

THE ESTATE

The property comprises two independent homes in a 3000 square meters plot, rented to one tenant at a time. Guests can rent one of the houses or the complete estate, depending on their preferences and needs: From 5 rooms and ten guests with one house, up to 8 rooms for 16 guests with complete property rented.

It can host 10 persons in three on-suite rooms with terrace and/or private lounge areas and two double rooms in the basement. Features a basement playroom with billiard, cinema TV, and bar area equipped with Sonos sound system. Two staff members included.

ONE + TWO

Eight rooms, of which six are suites, up to 16 persons. Guests will enjoy all the amenities of One, adding a Basement Club with sound system and cinema projector, a gym area, another fully equipped kitchen,

and a large living room with office and dining areas. Any option includes the same staff members in both cases.

THE INTERIORS

All the property interiors have been recently interior designed with all sorts of details and a unique ethnic flavor, providing the homes with a special, fresh, and calm atmosphere. The six suites have large windows or terraces with views, providing warm and natural light during the day and enigmatic nights with just the sea and natural sounds. The common areas are designed blending the tropical with the mediterranean feeling.
