Welcome to your own beach residence in eastern Marbella, where the beaches really do take your breath away with their golden sands and gentle waves. Here, you can forget all your worries in the most beautiful fashion, whether that is sipping on a coffee and admiring the chic internal gardens, walled in glass, or admiring the striking art pieces in this residence such as the quirky butterfly wall art.

This beach house exudes high-class design, with gorgeous features including an elegant fireplace and open-plan lounges.

With 5 bedrooms, and a total of not one but 2 kitchens, you can really indulge yourself here. The house follows a modern style of interior, with impressive views and tasteful décor. Plus, there is a charming, crystalline pool outside to enjoy. Everything has been thought about. There is even parking for 4 cars indoors and 2 outside.
