Villa is a lovely, welcoming home sat snug in the very tranquil residential area of El Rosario. With a totally refurbished interior, this house is a sweet getaway for those guests seeking peace, quiet, comfort, and true relaxation.

The villa is decorated with a perfect blend of classic taste and some more modern flavours to accompany it. It is bright, spacious, and equipped with all you would need to enjoy your holiday.

The villa has an amazing sense of space with different areas and spaces to enjoy. Whether you will be cooking up a good meal at the outdoor BBQs, games with the family in the gardens and terraces, or just taking a cool-down dip in the pool, this villa has it all for the whole family to enjoy.

The living, dining and kitchen areas all flow seamlessly into one another and open directly to the balcony on this level – ideal for morning breakfasts. The living room has a wall-mounted Smart TV, perfect for family movie nights. The kitchen is complete with all you need to explore your favourite recipes before serving them up in the dining area which is finished with an absolutely stunning work of wood craftsmanship.

As you head upstairs, you will find two bedrooms that share a bathroom, as well as the master bedroom which is of course ensuite. All the rooms are beautifully decorated and all hold double beds. There is also an additional guest bathroom at the bottom of the stairs.

Heading outside, you are blessed to be encircled by the lush greenery that sits at every turn of the head. The outdoor space at this villa is truly wonderful; everything about the atmosphere created is calm and peaceful. Multiple BBQ areas (gas or coal) are available to enjoy and there is no shortage of outdoor furniture including coffee areas, outdoor dining areas, sunbeds and not to mention the lovely pool!

The location of the villa is close to amenities, yet peaceful and quiet, so you get the best of both worlds. It is only a short drive from some of the best beaches along the Costa del Sol. Make the 10-minute trip to Marbella old town for a fun afternoon or the 15-minute drive to Puerto Banús to stroll the boardwalk and play in the warm, shallow water. There is a golf course just a kilometre and a half away, and all amenities

like supermarkets and restaurants are no more than a 10 minute drive.

Please note that we welcome families and couples only, no groups under 30, and no hen or stag parties. Should you fall outside of this category but wish to book nonetheless, please send us an enquiry detailing a bit more about yourself and the group that you will be travelling with so we can request this for you.
