Discover this stunning modern 6-bedroom villa in Saint-Tropez, a Mediterranean masterpiece nestled within 8,000 square meters of lush landscaped gardens. Located in an exclusive residential area, this expansive property boasts direct access to the sea and a breathtaking 20m heated infinity pool.

Its rolling emerald lawns are perfectly bordered with Mediterranean planting, palms, pines, and bougainvillea, creating the perfect venue for sophisticated garden parties or large family gatherings.

This traditional yet opulent terracotta villa is adorned with sumptuous fittings and finishes, gleaming marble, soft Italian stone, and elegant parquet. The two-bathroom master suite, Bulthaup kitchen, bespoke furnishings, and fine art complete this luxurious property.

Its spacious terraces and large airy rooms look out to panoramic views of Bay de Canebiers' azure waters, while the enclosed rear courtyard offers a more intimate space. The property's vast plot, extensive pool, ample private parking, and staff apartment make it both very private and a rare find.
