Luxury Villa with Panoramic Views in Les Parcs de Saint-Tropez

Perched atop Les Parcs de Saint-Tropez, this sumptuous 1600 sqm property on a hectare of wooded land offers 280-degree panoramic sea and town views. With a modern and chic style, its spacious and understated interior with abundant natural light from floor-to-ceiling windows and high ceilings creates a serene ambiance.

The villa features 7 en-suite bedrooms. The main building houses 3 master bedrooms with exceptional volumes, including one with privileged access to a private outdoor jacuzzi. The lounge-dining room is bathed in light with large bay windows overlooking the exteriors. A fully equipped kitchen with a patio is complemented by an authentic professional kitchen with a service lift.

A home theater with a popcorn room and a wine cellar with a tasting area complete this level.

The villa boasts a large heated infinity pool with stunning views of Saint-Tropez, a pool house with a kitchenette, massage room, and shower with toilet. A bowling alley is also located on the grounds.

Finally, a staff room with 2 beds, a sofa bed, and a bathroom, accommodating 3 people, ensures a comfortable stay for all. This high-class villa is the ideal residence, offering high-end amenities combining luxury, chic, and stunning views.
